

GHANA STATISTICAL SERVICE P. O BOX 1098 ACCRA.

PRIME BUILDING COSTS INDEX (PBCI)

BASE YEAR: 1997=100

The PBCI measures the changes, from month to month, in the prices of building materials for the construction industry. The Ghana Statistical Service (GSS) has been publishing the **new rebased** series of the PBCI since January 2007. The new series has September 1997 as the base year.

The first and second quarter 2017 figures in this publication are provisional and subject to change in the next publication. The revisions would reflect the incorporation of additional and improved data. The PBCI are published quarterly. The next publication date is 15th December 2017.
